Note on Qualification in Review Report

a) The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (together eferred to as 'JV') of Rs. 6,529.91 lakhs including investments, loans and other assets (As on March 31, 2024 Rs. 6,913.52 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter ended June 30, 2024 as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at June 30, 2024 and consequent impact thereof on the quarterly results. However, the Management believe that it will not have a material impact on the financial results for the quarter ended June 30, 2024.
